

**INVITATION TO CONTRACTORS TO PREQUALIFY TO OFFER PROPOSALS FOR
THE IMPROVEMENTS AT THE HIGHLANDS WWTF IN LEDYARD
Bid #2016-07**

PHASE 1 PROJECT

The Town of Ledyard is inviting contractors to submit pre-qualification packages in order to bid on upcoming improvements to their Highlands Wastewater Treatment Facility located at 82 Town Farm Rd., Ledyard, CT.

The plant upgrades will include multiple phases. This is the Phase 1 Project, including replacing and installing new decanter actuators for the SBR tanks and installing motorized valves to replace existing pinch valves. Decanters and motorized valves will be furnished by the Owner. Future phases will include membrane disc diffuser replacement, mechanical screen replacement, blower replacement, pre-engineering building construction for the headworks, distribution box construction, piping modification and SCADA system upgrade.

Pre-qualification packages for bidders who desire to be pre-qualified in order to bid on the project will be due on or before 2:00 pm, October 22, 2015. Hardcopy (2 Copies) of completed pre-qualification package shall be sent to Mayor's Office, Town of Ledyard, 741 Colonel Ledyard Highway, Ledyard, CT 06339-1511. Please indicate "Bid #2016-07" on your transmittal.

The contractors will need to demonstrate the experience and technical ability to perform the work described above at a wastewater treatment facility, financial capacity, bonding capacity, technical and managerial capability.

Construction bids for performing the work will be solicited from the group of pre-qualified contractors that is selected following this request for pre-qualification.

Complete request available at: <http://www.town.ledyard.ct.us/88/Request-for-Proposals-Bids>

Contact: Charles Karno, Town Planner, planner@ledyardct.org, 860.464.3215

The Town of Ledyard is an Equal Opportunity/Affirmative Action Employer.

SECTION 00 45 15 - BIDDER PRE-QUALIFICATIONS – PHASE 1

SUMMARY OF WORK

The Work is to have a qualified contractor replace SBR tank decanter actuators (furnished by the Owner) and install motorized valves (furnished by the Owner) to replace existing pinch valves at the Highlands Wastewater Treatment Facility at Ledyard, CT.

BIDDER INFORMATION

Bidder's Name:

Contact Information:

Year Business was Established: _____

How Many Years of Experiences in Similar Project/Areas: _____

Trade Experience

Please note if work was self-performed or subcontracted. Answer "Yes" or "No", and indicate years of experiences

- SBR tank decanter actuator installation: _____
- Motorized valve installation: _____
- Other wastewater treatment project experience: (provide project descriptions in attachment): _____

BONDING CAPACITY

The Bidder has a bonding capacity of _____ per project

EXPERIENCE

Each Potential Bidder is required to submit information that exemplifies their qualifications to successfully implement the scope of work required by the Contract Documents. At a minimum, the information submitted shall include information requested on the forms below. Attach additional sheets if necessary.

Previous Experience Similar to This Bid
