PROPOSAL #2025-04

TRASH AND RECYCLING COLLECTION SERVICES

ADDENDUM #1

February 27, 2025

Questions, Answers, and Clarifications

1. What constitutes the "Total Base Bid"?

   The "Total Base Bid" is the total of the "curbside collection and Town facilities" and the "BOE facilities" that are requested separately by fiscal year.

2. Will you award the contract based on the initial 3-year term, or the entire contract term?

   The contract will be awarded on the basis of the entire (potentially 6 year) term. This is the value identified on the bid form by "Total Bid." The Town reserves the right to rebid after the initial 3-year term.

   Further, the Town reserves the right to award on the basis of: 1) Biweekly Recycling Service (Base Bid); 2) Weekly Recycling Service (Bid Alternative 1); or 3) Additional Bid Alternative (as offered according to terms delineated by the Bidder).
