RE: Bid Results and Engineer's Recommendation for WPCA Demolition RFP/RFQ 2016-02
Highland Wastewater Treatment Facility

Dear Mr. Lynch:

A total of six (6) bids were received for the WPCA site demolition. The bid results are presented in Attachment A – (Bid Summary) and are summarized below:

- Bids ranged from $69,500 to $375,000
- Low bid – Standard Demolition Services - $69,500

Fuss & O'Neill has had a positive work experience with most of these bidders in the past, including the three (3) lowest bidders. We have reviewed the references of the three (3) lowest bidders and in our opinion all three (3) are capable of performing the work.

Based on our evaluation, we believe Standard Demolition Services is a responsible, responsive bidder. In our engineering opinion, we would recommend the Town of Ledyard award the demolition project to Standard Demolition Services.

If you have any questions please feel free to contact me at any time.

Sincerely,

Jeffrey McDonald, PE
Associate
